Responsibilities

Audrey Allsopp is the National Worker's Compensation Practice Leader for Conner Strong & Buckelew. She has experience in strategic planning, project and claim management with a focus on impacting the volume and cost associated with claims. Audrey works closely with our clients to ensure prompt and fair claim handling, and to assist clients with internal claim management efforts. Allsopp utilizes her worker's compensation jurisdictional knowledge to strategically assess reserves, litigation and settlement discussions as well as advance return to work opportunities. She is an advocate for our clients to ensure claim resolutions are in our clients' best interest and thereby providing a positive impact on their total cost of risk.

Background

Allsopp has been an insurance professional for over 25 years. Prior to joining Conner Strong & Buckelew, Allsopp was the Workers Compensation Manager for Dollar Tree, providing claim management and oversight within 48 states. Before Dollar Tree, Audrey worked for General Electric Insurance Company (GE) as a Manager Overseeing Workers Compensation, Disability and Pharmacy Project management. Allsopp has also worked for Aetna Life & Casualty overseeing both Workers Compensation and General Liability matters.
